### DTSC TRAINING ON NEW STANDARDS FOR TREATED WOOD WASTE

DTSC announces training for the new Alternative Management Standards for Treated Wood Waste (TWW). At the June 2007 trainings, DTSC staff will discuss TWW regulatory history, types of TWW, eligibility for Alternative Management Standards and the new requirements for labeling, storage, accumulation, disposal, treatment, shipping, tracking, training and notification. There will be two training sessions. The morning session (9:00 am to Noon) will be for Certified Unified Program Agencies (CUPAs), Local Enforcement Agencies, (LEAs) and DTSC Staff. The afternoon session (1:00 pm to 4:00 pm) will be for solid waste operators and treated wood waste generators.

**Who Should Attend:** This training is designed for LEAs, DTSC, CUPA staff, Solid Waste Operators, and Treated Wood Waste Generators.
